

Exclusive Beat License

DRAFT TEMPLATE - guardian and attorney approval required before use.

License fee: $300.00 USD per beat | Producer: Ameir2Cold

Authorized licensor: [Guardian / authorized business entity]

Customer legal name: [Name] | Artist name: [Artist]

Beat / project: [Title] | License / order ID: [ID]

Effective date: [Date] | PayPal transaction: [ID]

1. Grant

Upon full payment, Licensor grants exclusive worldwide commercial usage of the instrumental in a new musical recording, subject to previously issued valid licenses.

2. Distribution

Unlimited commercial audio distribution, streams, downloads, sales and public performance of the resulting recording.

3. Marketplace removal

Following verified payment, the beat is removed from future licensing. Licensor will not issue conflicting licenses. Previously issued valid leases remain enforceable.

4. Ownership and restrictions

This is not a copyright assignment or publishing buyout. No standalone resale or false authorship claims. Automated copyright registration must respect existing licenses. Full audio and advertised stems are delivered.

5. Synchronization

Customer may use the resulting song in their own promotional music videos. Third-party television, film, advertising, games and other audiovisual placements require separate written clearance from applicable rights holders.

6. Publishing and royalties

Fee does not transfer underlying copyright or eliminate producer publishing interests. Agree on songwriting, publishing and royalty splits in a separate written split sheet before commercial release.

7. Producer credit

Where customary and technically possible: Produced by Ameir2Cold.

8. Duration and acceptance

License is perpetual unless terminated for uncured material breach. Electronic acceptance and verified payment record the agreement; custom rights begin upon final delivery. Authorized licensor and customer acceptance: [Names / timestamp].
