Custom Exclusive Beat Production

DRAFT TEMPLATE - guardian and attorney approval required before use.

License fee: $500.00 USD per beat | Producer: Ameir2Cold

Authorized licensor: [Guardian / authorized business entity]

Customer legal name: [Name] | Artist name: [Artist]

Beat / project: [Title] | License / order ID: [ID]

Effective date: [Date] | PayPal transaction: [ID]

1. Services

Producer creates an original instrumental according to mutually approved genre, mood and specifications. Agree on delivery date, formats and included revisions in writing before production.

2. Exclusive rights

Upon full payment and final delivery, Customer receives exclusive worldwide commercial usage rights. The completed custom instrumental will not be offered to other customers.

3. Distribution

Unlimited commercial audio distribution, streams, sales and public performance of the resulting recording.

4. Revisions and refunds

Additional revisions or material changes may require agreed additional fees. Cancellation and refunds follow disclosed policy, applicable law and completed work. Deliver agreed audio formats, included stems and final personalized PDF.

5. Synchronization

Customer may use the resulting song in their own promotional music videos. Third-party television, film, advertising, games and other audiovisual placements require separate written clearance from applicable rights holders.

6. Publishing and royalties

Fee does not transfer underlying copyright or eliminate producer publishing interests. Agree on songwriting, publishing and royalty splits in a separate written split sheet before commercial release.

7. Producer credit

Where customary and technically possible: Produced by Ameir2Cold.

8. Duration and acceptance

License is perpetual unless terminated for uncured material breach. Electronic acceptance and verified payment record the agreement; custom rights begin upon final delivery. Authorized licensor and customer acceptance: [Names / timestamp].
